

Member of the Month In Memoriam Vivian Gillan

This month we celebrate and remember our dear friend and one of the most vibrant members this YMCA has had; Vivian Gillan. Viv was a long-time member and she regularly worked out in the gym doing cardio, weights, attended pool classes, pilates and was a regular yoga participant.

She had a fun personality and a positive zest for life that she projected to everyone around her. She was an inspiration to everyone in the gym, and we are at a loss without her here. She will be fondly remembered by members and staff alike.
