

Member of the Month Ava Thibault

Ava has been a familiar face around the YMCA since 2012, being continuous member since the age of five, which is more than half of her life. She regularly attends swims, and many of our youth programs, bringing with her an incredible sense of humour and wit, and an infectious positive attitude that we should all strive towards.

Interesting fact about Ava: She is the younger sister of our lifeguard and swim instructor Sylvia Thibault, and former desk staff and maintenance worker Andrew Thibault!
