

# Member of the Month Dick Davis

The staff of the YMCA are pleased to announce that our Member of the Month for December is **Dick Davis!**

Dick Davis has been coming to the YMCA for as long as we can remember, and as near as we can find, he is our longest continuous member of the YMCA.

Dick served as YMCA President from 1977 to 1979. He has been active in triathlons and races for years.

He is frequently seen running every noontday with friends, despite any kind of weather.
