

Member of the Month Jordon Smith

The staff of the YMCA are pleased to announce that our Member of the Month for February is Jordon Smith!

Jordon is a carpenter, and has been a member for nearly 3 years. He often brings in his 2 children for swimming, as well as some of our youth programming.

He frequently stops at the frontdesk for a chat after his evening workouts.

He loves fishing, and is also a fan of comic book villan, the Joker.

Thanks for being a part of our Y community!
