

Jersey and Kohl Archambault are our youth members of the month for March. They are brother and sister and rarely miss a Friday night fun or a Wednesday swim. When Jersey isn't livening up Fridays with her positive attitude and warm energy, she is helping the younger ones participate (something everyone involved appreciates). Kohl is always a pleasure to be around, whether he's quietly playing or cracking us up with a one liner- he always puts a smile on the staff's face.

We asked them:

**What is your favourite thing about Friday Night Fun?**

They said that they always have lots of fun, while Jersey enjoys hanging out with her friends, Kohl said he most enjoys being in the gym.

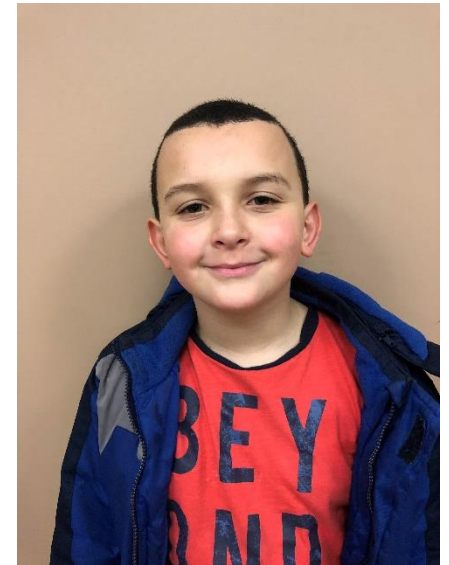

**What would you change about Friday Night Fun?**

For Jersey, she would like to have more time in the pool. This comes as no surprise as the brother and sister duo love to swim on Wednesday's too, Kohl just wishes we had more goggles to give.

**What would you say to a new member of the YMCA?**

Both Jersey and Kohl said they would tell them how much fun they have, and Jersey stressed how it is great to meet new people.
