

YMCA of Yarmouth Facility Closure Effective Monday March 16, 2020 (9:00 pm)

In light of growing concerns around the COVID-19 (“coronavirus”) pandemic and a desire to protect our members, program participants, staff and volunteers from the risks of potential exposure, the YMCA of Yarmouth is closing our facility and cancelling all programs effective Monday, March 16, 2020 at 9:00 pm.

All YMCA of Yarmouth facilities will be closed to the public, and all rentals and recreation-related programs and services are cancelled.

No further membership payments or program fees will be collected until the YMCA of Yarmouth resumes services.

The YMCA of Yarmouth exists to help create healthy communities. This system-wide closure is a precautionary step to ensure our communities stay healthy and we believe it is the best way we can serve the community at this point during this global crisis.

We will continue to follow advice from public health authorities and encourage you to as well. At this time, we do not have a planned re-open date, but will share that information on our website and Facebook page as it becomes available.
